

## Instructions for Ordering the Digilent Discovery 2

To order a Discovery 2 Oscilloscope and Function Generator from Digilent:

1. Create an account at the Digilent Store web site: [https://store.digilentinc.com/login.php?action=create\\_account](https://store.digilentinc.com/login.php?action=create_account)
2. Use the account to apply for academic pricing at: <https://resource.digilentinc.com/verify/>
3. Once your account has been approved for academic pricing, place an order for the following items:
  - (a) Analog Discovery 2 (\$179.00)
  - (b) 12V Power Brick (\$16.99)
  - (c) BNC Oscilloscope Probes (\$19.99)
  - (d) BNC Adapter Board (\$19.99)
  - (e) Mini Grabber Test Clips (\$14.99)

Items (a) and (b) are required; items (c) - (e) are strongly recommended.
